PROVISIONAL CAMPING

Join the Bugle Troop. Scouts can attend camp without their hometown Scoutmasters. This opportunity is available for troops unable to secure proper adult leadership. Provisional camping also provides leadership for Scouts who cannot attend camp with their troop or who wish to attend more than one week of camp. The Bugle Troop will be available during the 4th session (July 14-20, 2013). Reservations can be made by using the Bugle Troop registration form in the appendix. Parents or leaders are welcome to join the Bugle Troop as assistant leaders for the entire week or specific days.

ADULT LEADER FEES

In following the national Boy Scouts of America Youth Protection Guidelines, all troops attending summer camp must have at least two adults present at all times. One leader must be at least 21 years of age, and all additional leaders must be at least 18 years of age. Adult registration fees are due according to the same schedule as the youth fees. Late fees are applicable to adult registration fees.

The fees for adults who accompany a troop are as follows:

- 1- 8 boys – 1 adult free
- 9-16 boys – 2 adults free
- 17-24 boys – 3 adults free
- 25-32 boys – 4 adults free

Additional adult leaders = \$112.00 each

For troops of 25 or larger, continue this sequence to calculate leader fees required.

To meet two deep leadership requirements at camp, your troop has several options:

1. Troop provides all adults. Rotation of leaders is acceptable as long as two adults are present in camp at all times.
2. Two troops may share a campsite and therefore share leaders.
3. One provisional leader (at least 18 years of age) can be hired from the camp staff at a nightly rate of \$10.00 per Scout in camp. For a troop with five Scouts, this will total \$50.00 per night. Arrangements must be made with the Camp Director, no later than May 1st for June sessions and June 1st for July sessions. The provisional leader will only provide overnight supervision in the campsite.

All adult leaders attending camp must bring a current completed medical form.

SENIOR PATROL LEADER HONOR

A unique opportunity for a youth leader is serving as the Senior Patrol Leader for summer camp. As the Scout in charge of troop operations, this individual has many duties to oversee during the outdoor session. As a reward for completing a series of camp responsibilities, the SPL for each troop is able to earn a special patch. The recognition will be presented at the closing ceremony on Saturday morning.

ROBERT DRAKE AWARD

The cleanliness and safety of troop campsites is an ongoing concern during your week at Camp Drake. All campsites will be visited daily by the Camp Commissioner or an assistant. This visit will be conducted with the Senior Patrol Leader or his designee so the Commissioner can make suggestions for campsite improvement, or offer congratulations for a job well done. The Robert Drake Award is presented to all troops that maintain clean and safe campsites, as determined by the Commissioner.

COUNSELOR IN TRAINING PROGRAM

Prairielands Council invites Scouts to participate in Camp Drake's CIT program. Scouts will attend two weeks of summer camp as staff members, learning the skills necessary to become a full-time staff counselor. Participants will choose two weeks to participate in the program on a first-come, first-served basis. An option for additional camp service is possible if both the CIT and camp management are interested. To register for a CIT position, contact the Camp Director to set up an interview.

DRAKE CORPS JUNIOR STAFF OPTION

An option in leadership development has been created to allow Camp Drake campers to attend a week of summer camp and serve on the Camp Drake staff at the same time. Scouts interested in joining the "DRAKE CORPS" must be at least fourteen years of age and have attained the Star rank. These Scouts will meet with Program Director John Marquardt late Monday afternoon of the first day of camp to review their area assignments and set a schedule for the week. The "DRAKE CORPS" members will be able to participate in certain traditional camp activities, including the activities that are part of the Vermilion TreX Older Scout Program, but will also serve as an assistant in conducting camp events. These Scouts will camp with their own troop, but will be charged with a certain level of responsibility in order to earn their "staff shirt".

ORDER of the ARROW

The Order of the Arrow is a premier leadership development organization within the Boy Scouts of Americas. Known as the Brotherhood of Cheerful Service, the Order of the Arrow (or O.A.) recognizes honor campers within each troop and provides management experience in conducting beneficial programs to Camp Drake and the Prairielands Council. Members, called arrowmen, organize service weekend for camp improvement, host fun activities, and support Cub Scouts in their outdoor skills development.

TROOP OR TEAM REPRESENTATIVE

Illini Lodge 55 is recruiting youth & adult arrowmen to serve in an important role in the lodge. Order of the Arrow Troop (or Team) Representatives are a youth liaison and his advisor serving between the local O.A. lodge and his unit. The representatives serve as a communication and program link to the unit Arrowmen, as well as adult leaders and Scouts who are not presently members of the Order. They do this in a fashion that strengthens the mission of the lodge and the purpose of the Order. By setting a good example, they enhance the image of the Order as a service arm to the troop or team.

INDUCTIONS FOR ORDEAL MEMBERS

Illini Lodge 55 is very active during the summer months at Camp Drake. The Lodge will conduct a Call-Out ceremony each Wednesday evening. Scouts who have been elected to join the Order of the Arrow are recognized with an impressive Call-Out Ceremony, introducing the new candidates selected by their troop. Units visiting from other councils may participate in this ceremony as long as they have written permission from their own lodge chief. Illini Lodge will conduct the Ordeal for new members, beginning late Wednesday evening and concluding with an Ordeal Ceremony on Thursday night. Current arrowmen are needed to assist with the Ordeal process.

BROTHERHOOD OPPORTUNITIES

Scouts and Scouters who are already Ordeal members in Lodge 55 may choose to seal their membership in the Order by completing Brotherhood ceremonies. The ceremony will be held each week of camp. Please encourage all current Ordeal members to participate. Order of the Arrow camp staff members will be available to assist your Scouts in preparing for the requirements for Brotherhood. See your Order of the Arrow handbook for more information on this topic.

CAMP DRAKE PROMOTIONAL PROGRAM

Each troop is encouraged to host a Camp Drake Promotional Program for Scouts and parents this spring. The Illini Lodge Camp Promotions Team has created a new DVD presentation of exciting camp traditions to provide an entertaining view of the thrills of summer camp. Your troop can choose to conduct the Camp Drake Promotional Program on your own or invite a celebrity, such as a District Camping Committee member or a Camp Promotions Team specialist. A new camp promotions packet allows your troop to bring the Promotional action of Camp Drake to your troop meeting. The Promotion Information Packet will include a game, program literature, and promotional handouts.

CALLING ALL ARROWMEN

Illini Lodge is restructuring itself to give YOU the opportunity to play a large role in its future. Update your contact information and pay your \$10.00 annual dues to support the lodge. For all your up-to-date news on your local Order of the Arrow business, look to www.illinilodge55.com for news articles, lodge forms, and chiefly ideas.

ATTENTION lodge members: Illini Lodge will be having in another Summer Reunion in August. The lodge will be doing service for Camp Drake in the morning and then in the afternoon, fun events will be set up throughout camp. An informative lodge meeting will be conducted. This was an Illini Lodge tradition for many years and the lodge leadership decided to bring this event back. It was a rousing success. Last summer, there was a really good turnout, which is why the Summer Reunion is continuing. The cost will be \$5.00 for food.

TROOP VISIT TRAINING

A special afternoon conference will help Scouts plan their OA Unit Elections and Summer Camp Promotion Night. Both youth and adult leaders are encouraged to learn about conducting elections and promotions this spring. Participants do NOT have to be lodge members. Lodge leaders will guide troop leaders, young and old, on the proper policies for a troop visit.

POLICIES

NONDISCRIMINATIONCamp Robert Drake will be open to all Scouts regardless of race, color, religion, disability, or national origin.

MEDICAL EXAMINATIONS...Remember to use the form from the National BSA office.

The national Boy Scouts of America camp policy mandate medical examinations. All youth participants and adult leaders must present evidence of a physical examination annually for the weekly camp session by a licensed physician AND a health history completed by the adult participant or a parent (for youth participants). Forms are available on-line or at the Scout offices in Danville and Champaign. An Annual Health and Medical Record with a doctor's signature and date within the past year is required for everyone regardless of how long they will be in camp. Even if they will only be in camp for a night, this is required. These forms should be submitted with payment and program registration requests on or before 4/15/2013.

Only the current BSA Annual Health and Medical Record form will be allowed as per national requirements and standards. School physical forms or sports physical forms will not be accepted. Also, they will not be accepted if they are stapled to the BSA Annual Health and Medical Record form. The information and doctor's signature must be on the BSA Annual Health and Medical Record. As the adult leader, you should take the time to review these forms with enough time to correct any problems. Please check for the following errors and omissions.

- > Missing date under the doctor's signature in Part C.
- > Missing doctor's signature in Part C. Rubber stamp only for doctor's signature; signature in pen is required.
- > Missing Parent/Guardian signature in Part B.
- > Date of doctor's visit within the past year (Mandatory).
- > Missing health history, Part A. or Missing immunization record, Part A.
- > Missing Health insurance card copy and information, attached.

All physicals and health histories must be on file with the camp health officer in case of emergency. At the end of camp, it is the responsibility of the troop leader to pick up all medical forms and medicine prior to the Saturday check-out. As a part of the Sunday afternoon orientation tour, all Scouts and adult leaders will receive a medical evaluation by the Camp Health Officer. During this process, all medications (except for medically mandated emergency doses) will be turned account for by the Camp Health Officer.

SPECIAL DIETARY NEEDS

Please let the camp kitchen know of any special dietary needs as soon as the Scout is registered for summer camp and by 4/15/2013 at the latest in order to allow for our staff to make accommodations. Food allergies (as indicated on the Scout's medical form) will be the first priority for the kitchen, followed by religious needs and dietary preferences. The sooner the kitchen is made aware of how we can help your Scouts and Leaders eat their normal diet at camp, the better we can make it a good experience for all. Please email Assistant Camp Director Brian Brauer at CampDrakeKitchen@gmail.com with special dietary needs. We will make every effort to accommodate you, but there are limits to what we can offer.

VISITORS

Parents, friends, and relatives are invited to visit program areas while camp is in session. All visitors must check in at the camp office. Meals are available for \$5.00 each, pending available space. Meal tickets may be purchased from the camp trading post. For the evening programs, guests may bring lawn chairs for added comfort.

UNIFORM

Scouts are encouraged to wear their official uniform at camp. The 'Official' uniform is typically worn at the evening flag ceremony and meal. During all other times Scouts can wear a T-shirt and suitable shorts or long pants.

CAMPER INSURANCE

All youth participants in council and district sponsored activities are covered by a Camper Health and Accident Insurance Policy. *Adult leaders are not covered* under the council accident insurance policy. Any injury incurred prior to leaving home but still requiring medical attention after arrival in camp, is not covered under this policy. This insurance covers costs in excess of \$150.00 only when the claimant is not covered under any other insurance policy. Every illness or injury must be reported immediately to the health officer and be logged in order to receive this coverage. Medical expenses incurred after leaving camp due to an accident or injury sustained at camp should be reported immediately to the Prairielands Council Office at 217-356-7291 Ext 6440.

If you need to store additional fuel or equipment, please make arrangements with the Camp Commissioner.

15 It is the responsibility of the Boy Scouts of America to protect the health and safety of the young people in the program. As a result, it is the policy of the BSA that leaders should not use tobacco products in any form in the presence of youth members. In addition, all camp buildings will be smoke-free environments for all participants.

PARKING AREA

All vehicles driven to camp are to be parked in the parking lot. In order to maintain a good camping atmosphere, only authorized vehicles will be permitted outside the parking area. No personal vehicles are allowed to drive back to the campsites. Heavy equipment and troop trailers will be transported to and from your campsite by staff personnel.

ADVANCEMENT

Camp Drake can be the perfect time to enjoy camping, learn Scouting skills, and experience new things, but it is also a time to work on advancement along the trail to Eagle. The camp staff members counsel Scouts on a variety of merit badges and are available to teach other skills necessary to earn the first three badges of rank. It is important to note prior to camp participation that Camp Drake has fantastic facilities for outdoor instruction for aquatic skills, ecology knowledge, and shooting sports talents. Summer camp is the best place to earn many of the badges in the outdoor setting. Advancement opportunities are offered during the morning, afternoon, and a few evening merit badge sessions. It is possible for a Scout to earn in excess of six merit badges during the week, but it is suggested that the Scout attempt a more reasonable number (3 or 4). Attempting too many badges can leave the boys feeling like they are still in school, and prevent them from enjoying the other opportunities at camp. Encourage your Scouts to work on advancement, but don't forget about free swim, hiking, open boating, and exploring the outdoors.

MERIT BADGES

Camp is a great place to earn some badges because of the resources available. Please share the merit badge schedule with your Scouts as soon as possible. Some merit badges can be completed at camp only if prior work is complete before camp. Scouts should read through the requirements and be ready for the badge before they come to camp, and they should be aware that they will be required to complete all of the requirements in order to receive the badge.

Scouts who do not complete all requirements for a badge will be given a record card. It is the responsibility of the Scout and his leaders to find a suitable counselor to complete the badge in his own community. To improve our administrative service to Scouts and leaders, the traditional three-part blue cards will be used for tracking of merit badge requirements. These forms will allow the troop leaders to return a portion of the merit badge record for the Scout to use as a guide to both completed and unfinished advancement duties. The advancement blue cards will be available at the conclusion of the camp week, providing the Scouts and leaders with the completion records from camp. Scoutmasters are responsible for picking up all badge and skill award paperwork before they leave camp.

RANK REQUIREMENTS

The Pollywog Program offers individuals teaching sessions for the ranks of Tenderfoot, Second Class, and First Class for any Scout needing assistance. These sessions are set up like a merit badge sessions on an hourly basis each of the five program scheduled days of the camp period. Scouts may choose to take only one rank session or join all three, depending on their interest. At the end of the camp week, troop leadership will be presented a listing of the requirements covered during the sessions. The Camp Drake counselors will NOT sign requirements in the book, allowing adult leadership to oversee the skill proficiency required for their troop.

Rank advancement is considered an important part of each troop program. The Camp Commissioner is available to arrange Boards of Review, through volunteer personnel. To encourage advancement while at camp, the Program Director will recognize all Scouts who do advance in rank throughout the week. Scouts will have their names placed on the advancement board in the Dining Hall.

CAMPSITE COOKING - NEW IN 2013

Cook in your campsite on Tuesday or Thursday nights! To aid Scouts in completing requirements for Cooking Merit Badge and rank advancement, the Camp Drake Kitchen is offering meals on Tuesday and Thursday nights that can be prepared in the campsite. The Kitchen will provide the raw foods for the meal, and the troop will provide all cooking equipment and spices/seasonings. To take advantage of this option, please email Assistant Camp Director Brian Brauer at CampDrakeKitchen@gmail.com at least ONE WEEK prior to your Troop's arrival at camp. We may not be able to accommodate adding this option without sufficient notice, and the program on other evenings will not allow sufficient time for cooking in the campsite.

ADDITIONAL HONORS

There are many other opportunities for recognition in the wide variety of programs provided at Camp Robert Drake. Several Boy Scouts of America awards are also provided through the program area staff. These opportunities include Snorkeling and Mile Swim at the Pool, Paddlecraft Safety at Poncho Pond, and the Paul Bunyan Award in the R.O.A.P. area. Additional safety skills instruction courses are held to provide certification cards in wood tools and aquatics safety.

Look to earn recognition through the Camp Drake awards in several program areas. Scouts who specialize in marksmanship, nature identification, first aid talents, and sports may be honored at the Friday night closing campfire. Every day in the Dining Hall, contests are provided for talented Scouts in a variety of enjoyable Camp Drake traditions.
