Council Camper Assistance Policy

Prairielands Council offers a Camper Assistance for Scouts and families needing financial help to attend Cub Scout Day Camp, Cub Scout Adventure Camp and Boy Scout Summer Camp. Camper Assistance is not available for District Activities, High Adventure Trips (Philmont, Boundary Waters), or other council/district activities.

When applying for a Camper Assistance, please understand that it is not automatic and is based on several criteria including family need, the Scouts' participation in fund-raising activities, and funds available for distribution. In no case will Camper Assistance exceed more than 50% of the cost of camp. Scouts can only apply for camper assistance for one council camp per year.

All applications must be complete and signed by the applying Scout's parent or guardian. Camper assistance applications DO NOT need to be reviewed or signed by a Unit Leader. Applications should be mailed directly to the Council Service Center and all information will remain confidential. The Unit Leader (Cubmaster or Scoutmaster) will receive a list of approved Camper Assistance prior to the date that summer camp fees are due. Camper Assistance is only available to Scouts registered in Prairielands Council *and* attending a Prairielands Council summer camp.

Camper Assistance is granted to specific individuals based on the criteria above. Approved assistance cannot be transferred to another Scout or used by the Pack or Troop for other camp fees. Camper Assistance not used by the individual are forfeited and returned to the Camper Assistance fund for distribution to another Scout.

The timeline for Camper Assistance applications to be consideration are as follows:

Camper Assistance forms completed and submitted to council at address above:	March 15
Camper Assistance Committee reviews all requests	March 26
Approved Camper Assistance applied to unit camp fees	April 16

Camper Assistance requests received after March 15 will not be considered. Camper Assistance requests not submitted on this form will not be considered. Incomplete applications will not be considered. Parents requesting Camper Assistance for more than one Scout must complete form for each Scout.
