Develop Your Presentation Skills! Fundamentals of Training Course for Scouts and Scouters

Fundamentals of Training is the first of two “train the trainer” courses for BSA Scouts and Scouters. This course is designed to introduce new Scouting trainers to teaching techniques and skills.

Upon completion of *The Fundamentals of Training*, new trainers will be able to apply the techniques they have learned across the BSA’s leadership development programs, from unit-level youth leader training taught by youth for youth, to position-specific and supplemental training for adult leaders.

Participants who complete *Fundamentals of Training* will be prepared to take the second course in the series, *Trainer’s EDGE*.
