### Get Trained For Your Scouting Position!

### Basic Training For Cub Leaders, Scouts BSA Leaders, Unit Committee Chairs, Unit Committee Members, Venturing Advisors, and Chartered Organization Representatives

Would you prefer to do your position-specific training in a classroom with a live instructor? Praierlands Council invites Cub leaders, Scouts BSA leaders, Venturing leaders, unit committee chairs, unit committee members, and chartered organization representatives to participate in one of our face-to-face training courses designed to help you understand your Scouting position.

Cub leaders, unit committee members, unit committee chairs, and chartered organization representatives are considered “trained” for their Scouting position by taking one of these courses. You should complete position-specific training once for each Scouting position you hold.

Scouts BSA leaders must also complete *Introduction to Outdoor Leader Skills* (IOLS) @ Camp Drake and *Hazardous Weather* (online) in addition to this course to be considered “trained” for their position.

Venturing advisors must also complete *Hazardous Weather* (online) in addition to this course to be considered “trained” for their position.
