

# DRAKE CORPS

## STAFF OPPORTUNITY

A FUN option in leadership development has been created to allow Camp Drake campers to attend a week of summer camp and serve on the Camp Drake staff at the same time. Scouts interested

in joining the “*DRAKE CORPS*” must be at least fourteen years of age and have attained the Star rank. These Scouts will meet with Program Director John Marquardt late Monday to review their area assignments and set a schedule for the week. The “*DRAKE CORPS*” members will be able to participate in certain traditional camp activities, including the older Scout adventure trex, but will also serve as an assistant in conducting camp events. These Scouts will camp and eat with their own troop, but will be charged with a level of responsibility in order to earn their “staff shirt”.

*To sign up for the “DRAKE CORPS”, please contact Camp Director Mike Graham at (217) 356-7291, ext. 6447.*
