Council Campership Policy

Prairielands Council offers a Campership program to provide financial assistance to Scouts and families in need to attend Cub Scout Day Camp, Cub Scout Adventure Camp and Boy Scout Summer Camp.

When applying for a Campership, please understand that a campership is not automatic and is based on several criteria including family need, the Scouts' participation in fund-raising activities, and funds available for distribution. In no case will a campership exceed more than half the cost of camp.

All applications must be complete, signed by the Scout's parent/guardian and Pack/Troop Leader. Camperships are only available to Scouts registered in Prairielands Council and attending a Prairielands Council summer camp. Camperships submitted without all the requested information will not be considered.

Camperships are granted to specific individuals based on submission of the Request Form. Camperships cannot be transferred to another Scout or used by the Pack or Troop for other camp fees. Camperships not used by the individual are forfeited and returned to the Campership fund for distribution to another Scout.

The timeline for Campership consideration are as follows:

Campership forms completed and submitted to council at address above:	April 3, 2023
Campership Committee reviews all requests	April 10, 2023
Confirmation sent to applicants and unit leader by e-mail	April 14, 2023

Campership requests received after Monday, April 3, 2023 will not be considered. Campership requests not submitted on this form will not be considered. Incomplete applications will not be considered. Parents requesting Camperships for more than one Scout must complete a form for each Scout.
