## New MyScouting Mobile App is Available!

National 10/10/2017

A new myScouting Mobile App is available now for both iPhone (iOS 9.0 or greater) and Android (4.4 or greater) devices. **Search for “myscouting” in the App Store or Google Play and download it today!**

The new app features include:

- Access to training resources and take courses including **Youth Protection Training\***
- Track training completions
- Download or send by email completed training certificates
- Communicate with members within your organization level and below (for Key 3s and those having that access)
- Manage your profile
- Post and manage announcements and calendar events for your organization
- Access several Commissioner Tools

More features and updates will be added in future releases.

**\* NOTE:** If logging in to my.scouting.org website from a Mac or mobile device using Safari’s latest version 11.0 (not the MyScouting Mobile app), there is a known issue where the YPT video/audio may not work. Below are the steps to resolve in Safari:

1. Open Safari, click Preferences in the Safari drop down in the top left of the screen.
2. Go to the “Websites” tab, click “Auto-Play” under General - my.scouting.org should appear.
3. Select “Allow All Auto-Play” from the drop down box.
4. Then check the Plug-ins section on the bottom left of the same screen and confirm Adobe Flash Player and Java are both enabled.
