EARTH DAY CAMP

ENGINEERING HALL 106B6
12pm - 2pm

Join us on Earth day to learn about Earth day and the environment with UIUC chemical engineering students! Your 1st-5th grade student will get the opportunity to engage in interactive activities and crafts to show how individually, we can help better the environment. The camp cost of \$20 for 1 kid, \$35 for 2 kids, \$40 for 3 kids will cover our activities, crafts to bring home, and a snack. Contact Amber to register and learn about potential scholarships!
