

POLLYWOG PROGRAM FIRST YEAR FUN 2024 STIVERSON PAVILION

THE GOAL To provide a fun orientation to Scout camping with advancement options and team-building games. Scouts will enjoy skill sessions and test their talents with hands-on experiences.

WHO? Any age Scout can participate in the Pollywog Program.

WHAT? The Pollywog Program is designed to provide a fun environment for outdoor skills lessons for younger campers. As an introduction to advancement, the program guides Scouts on the requirements for Tenderfoot, 2nd Class, and 1st Class ranks.

HOW? The summer staff had designated three camp counselors to the Pollywog Program, in order to provide quality trainers for skill lessons and energetic coaching in each of the First Year Areas. The Pollywog Program staff will organize the First Year Scouts into model patrols for the campers to experience the importance of youth leadership, teamwork, and communications.
